

Personal information	
Name and surname	Hassan Khatami
Degree	PhD
E-mail	hkhatami@kashanu.ac.ir
Phone	09382548760
Academic Degree	Assistant Professor
Affiliation	Member of carpet group at University of Kashan

Educational background	
Doctor of Philosophy	Polymer Chemistry from the School of Chemistry, Metropolitan University of Manchester, UK 1995
Master of Science	Polymer Chemistry from the School of Chemistry, Metropolitan University of Manchester, UK 1991
Bachelor of Science	Textile Bachelor (A.T.I) Knitting and Textile Tissues from the Bolton Institute - England, 1989

Membership in Scientific and Technical Association	
1	Scientific Carpet Association
2	Research Center of Carpet of Kashan University
3	Focal Point of Knowledge and Carpet Industry
4	Members of the editorial board of the scientific journal of Goljam

Guidance and Consultation of Graduates and Master Degrees	
1	Undergraduate Thesis titled - Translation of the Book "Glass Engraving" 2000, Ms. Faeze Iajvardi.
2	Undergraduate Thesis titled "Carnivorous Carnation in Iran and its Effect on European Carnivores" 2010 Ms. Stareh Nasmi Afshar.
3	Master's Thesis titled "A Technical Book for Students of Islamic Art" 2011, Mr. Alireza Baharloo.
4	Undergraduate Thesis titled "Carpet Garden" 2012, Ms. Zahra Akhodad
5	Undergraduate Thesis titled "Bakhtiari Carpet Registration Process" 2013, Ms. Zaynat Elyasi Ghahfarokhi.
6	Undergraduate Thesis titled "Exporting carpets in the context of electronic trading" 2013, Ms. Bahareh Ramezani.
7	Undergraduate Thesis titled "Irish Garden Plans in Iranian Carpets" 2013, Ms. Sahar Bahadori Iqbal.
8	Undergraduate Thesis titled "The Role and Structure of the Sistan Carpet" 2014, Mr. Ghodrat Palevaneh.
9	Undergraduate Thesis titled "Khatam Carpet Design" 2014, Ms. Negin Gholam Nariami.
10	Undergraduate Thesis titled "Application of Handmade Carpet in Weaving Assets" 2018 Ms. Mojgan Molaei Ardakani.
11	Undergraduate Thesis titled "Reviewing the Literature of Military Khums in Carpet Safavid" 2015, Ms. Zohreh Haghighi Panah.

12	Undergraduate Thesis titled "Pathology of Export of Central Province in recent years" 2012 Ms. Azam Jalali.
13	Master's Thesis titled "Dyeing Wool Yarn with Pistachio Petals and Investigating Its Different Factors" 2011 Ms. Maryam Ghanbari.
14	Master's Thesis titled "The Effect of Different Factors on Dyeing with Rhubarb Flower" 2014 Sayed Ershadedin Ayati.
15	Theses Master's titled "Investigating Different Types of Dyeing Wool with Rabbit Herbs" 2014, Mr. Ramin Zakeri.

Academic Educational Activities (Launching Activities and Scientific Institutions)

1	Launching the Fiber Science Laboratory at the Faculty of Architecture and Art of Kashan University
2	Member of Founding Board of Iranian Scientific Carpet Association
3	Secretary of the Coordination of Knowledge and Carpet Industry
4	Members of founding staff of Kashan University of Technology
5	Secretary of the International Congress of Honoring Ghiasuddin Jamshid Kashani
6	Member of scientific college of the first national carpet conference in higher education
7	Supervision of handicraft carpet mapping
8	Responsible for the Scientific Committee of Kashan International Carpet Festival 2010
9	Responsible for the Scientific Committee of Kashan International Carpet Festival 2011
10	Members of the International Festival of Carpet of Kashan 2011

Executive activities

1	Head of the Faculty of Architecture and Arts
2	Members of the educational council
3	Assistant Administrator and Finance at University of Kashan
4	Members of the university research center (promotion center to the research center)
5	Director of the Research Center of Carpet of the University of Kashan
6	Deputy of faculty of architecture and art
7	Research Deputy of School of Architecture and Arts
8	Secretary of the Science and Technology Coordination Center for Presidential Science and Technology

Acknowledgment

1	On behalf of the head of the Faculty of Architecture and Arts in "Holding the First National Conference on Carpet in Higher Education"
2	By the deputy governor and governor of the city of Kashan as "the best Carpet Research Unit of the city of Kashan in 2009"
3	On behalf of the head of Iran's carpet co-ordination center as the establishment of Iran Carpet Coordination Center 2011

4	On behalf of the head of Iran's Carpet Knowledge and Carpet Coordination Group as the Supervisor of "Designing a Roadmap for the Coordination of Knowledge and Carpet Industry of Iran in Two Parts of Iran's Handwoven Strategy and Carpet Strategy", 2012
5	Professor of The Year in Teaching at Kashan University 2015.

Print article

1	"The Effects of Titanium Dioxide on the Oxidation of Light Polyethylene Films", European Polymer Journal, 1992, 28, No. 7, pp. 817-822, Norman Allen and Frank Thomson
2	"Comparison of the Optical and Thermal Properties of Oxidation of Dyed Polyester Films", Degradation and Stabilization of Polymer Journal, 1996, No. 52, pp. 311-320, Norman Allen and Frank Thomson
3	"Dyeing wool with pistachio leaves and studying the effect of the tooth". Poster presentation at the National Pistachio National Symposium on September 14, 2014 - Maryam Ghanbari Adivi.
4	"Investigation and introduction of dye plants of Isfahan region as a natural resource for use in handmade carpets", 1st National Congress of Biology and Natural Sciences of Iran 2014 - Arif Jahangiri and Dr. Mohsen Neyazi.
